

# Johnny O'Keefe, When I Fall In Love

When i fall in love  
It will be forever  
Or ill never fall in lo-ove  
In a restless world like this is  
Love has ended before its begun  
And too many moonlight kisses  
Seem to cool in the warmth of the sun

When i give my heart  
It will be completely  
Or ill never give my hear-eart  
And the moment i can fee-eel  
That you feel that way too  
Is when i fall in love with you-ou

And the moment i can fee-eel  
That you feel that way too  
Is when i fall in love with you-ou
