

Johnny O'Keefe, You'll Never Cherish A Love So

You take advantage of a heart so blue and misuse it
You'll never cherish a love so true until you lo-ose it
Let me tell ya now, one of these da-ays, and it won't be lo-ong
You're gonna look for me, and I-I-I'll be go-one

Yeah, baby, you take advantage of a heart so blue and misuse it
You'll never cherish a love so true until you lo-ose it
Hear me talkin' to ya, one of these da-ays and it won't be lo-ong
You're gonna look for me and I-I-I'll be go-one

Oh-oh-oh Oh-oh, Gone away from the torment
Gone away from the hearta-ache
Gone away from the misery, you put me throu-ough
That ya put me throu-ough-ough

You better wake up (you better wake up)
Because you're getting o-older (getting older)
Your gonna find one day
There'll be no shoulder (there'll be no shoulder)
Like the one you used to cry on (the one you used to cry on)
A shoulder to rely on (a shoulder to rely on)
You're gonna find one day
That I'm gonna be-e gone (that I'm gonna be gone)

Altogether now, You take advantage of a heart so blue and misuse it
You'll never cherish a love so true until you lose it
Hear me talkin' to you
You take advantage of a heart so blue and misuse it
You'll never cherish a love so true until you lose it

Hear me, hear me, hear me, hear me baby
You take advantage of a heart so blue and misuse it
Yeah-yeah-yeah-yeah-yeah-yea-eah
You'll never cherish a love so true until you lose it
Come on, come on, come on, come on now
You take advantage
