

# Johnny Orlando, Daydream

I like the way that you come around  
I hate the way that you leave  
I love the way that you bring me down  
Bring me down to my knees  
When you say 'forever' is way too hard  
Well it breaks, you know that it breaks my heart  
I guess it's nothing to talk about  
If that's the way that you feel

I am up at night  
Can't sleep  
No i  
I can't sleep, no i can't sleep  
I am up at night  
Can't sleep  
so i  
i daydream about you  
and everything we used to have  
wish i could turn back time  
if i could get you back  
theyn i could close my eyes  
I am up at night  
Can't sleep  
so i  
i daydream about you  
aobut you

it's pretty xold on the West Coast  
but you'd look hot in Now York  
i started listening rto disco  
Even though I used to hate it before  
When you said forever was way too far  
What you meant was you didn't want my heart,  
Keep thinking where did the love go?  
'Cause nothing's making sense aanymore
