

# Johnny Rivers, Mountain Of Love

Standing on the mountain looking down on the city  
The way I feel is a doggone pity.  
Teardrops falling down a mountainside  
Many times I've been here  
Many times I've cried  
We used to be so happy  
When we were in love  
High on a mountain of love.

Night after night I've been standing here alone  
Weeping my heart out to cold gray dawn  
Praying that you're lonely and you'll come here too  
Hoping just by chance that I get a glimpse of you  
Trying hard to find you  
Somewhere I love  
High on a mountain of love.

A mountain of love  
A mountain of love  
You should be ashamed  
We used to be a mountain of love  
But you just changed your name

Way down below there's a half a million people  
Somewhere there's a church with a big tall steeple  
Inside a church there's an altar filled with flowers  
Wedding bells are ringing and they should have been ours  
That's why I'm so lonely  
My dreams gone above  
High on a mountain of love.

(Musical interlude)

A mountain of love  
A mountain of love  
You should be ashamed  
We used to be a mountain of love  
But you just changed your name

Way down below there's a half a million people  
Somewhere there's a church with a big tall steeple  
Inside a church there's an altar filled with flowers  
Wedding bells are ringing that should have been ours  
That's why I'm so lonely  
My dreams gone above  
High on a mountain of love.

High on a mountain of love.  
High on a mountain of love.  
High on a mountain of love (fade)
