

Johnny Ruffo, On Top

Whaoh whaoh whaoh oh oh
Whaoh whaoh whaoh oh oh
Whaoh whaoh whaoh oh oh
(On top of the world)
Whaoh whaoh whaoh oh oh

I'm going under
I'm burning bridges tonight, tonight
Don't need your number
It's gonna happen tonight, alright

You're playin' it cool right now
But I'm in the mood so I'll be hanging around
You know I can read, your mind
'Cause your eyes, they keep on askin' for somethin'

Tell you now, straight up
All the lights, light up
And it's you that's got me back on the floor
Girl my mind says time that I want you
Now that it's you that's got me beggin' for more

Tonight it's going down
No-one else around
I'll be on top of the world, when I'm on top of you girl
Ain't no doubt about it
I know you want it now
I'll be on top of the world, when I'm on top of you girl

You got the puzzle
I got the pieces alright, alright
Just like the music
My heart is pumping in time, in time

And I'll meet you half-way now
I know that you want me but your playing it down
I'm saving it all for you
'Cause your eyes they keep on askin' for somethin'

Tell you now, straight up
All the lights, light up
And it's you that's got me back on the floor
Girl my mind says time that I want you
Now that it's you that's got me beggin' for more

Tonight it's going down
No-one else around
I'll be on top of the world, when I'm on top of you girl
Ain't no doubt about it
I know you want it now
I'll be on top of the world, when I'm on top of you girl

Top of you girl
Top of you girl
On top of the world, when I'm on top of you girl
Top of you girl
Top of you girl
On top of the world, when I'm on top of you girl

Your taking it cool, right now
But I'm in the mood so I'll be hanging about
You know I can read your mind
'Cause your eyes they keep on askin' for somethin'

Tell you now, straight up
All the lights, light up
And it's you that's got me back on the floor
Yeah, my mind says time that I want you
Now that it's you that's got me beggin' for more

Tonight it's going down
No-one else around
I'll be on top of the world, when I'm on top of you girl
Ain't no doubt about it
I know you want it now
I'll be on top of the world, when I'm on top of you girl

Hey yay yeah
