

Johnny Tillotson, Heartaches By The Number

VERSE 1

I've got heartaches by the number when you left me
I never knew that I could hurt this way
O, how my heart was filled, when you come home again
But you came back an' never meant to stay

CHORUS:

Now, I've got heartaches by the number
Troubled by the shore
Ever day I love you more an' more
I've got heartaches by the number
It's a love that I can't win
But th day you stop lovin' me
Is th day my world will end

VERSE 2

Got heartaches by the number
When you called me an' said
You were coming back to stay
With hopeful heart I waited for you
But you must have lost your way
