

Johnny Tillotson, Sufferin' From A Heartache

I never thought that I could care the way I cared for you
But on the day you went away my heart broke right in two
You made me the laughing stock of everyone in town
Now I'm sufferin' from a heartache since love's turned me down

I'm sufferin' from a heartache and I don't know what to do
And I just can't keep from cryin' each time I think of you
Oh I guess I must be crazy to love you like I do
And I'm sufferin' from a heartache cause by you

I know I should forget you but it's hard to make the change
Cause mem'ries keep on coming back when someone speaks your name
You left me for the glamour of the bright lights of the town
Now I'm sufferin' from a heartache since love's turned me down

I'm sufferin' from a heartache...
