

# Johnny Tillotson, Talk Back Trembling Lips

Talk back trembling lips  
Shaky legs don't just stand there  
Don't let her know that she's getting through to to you  
Talk back trembling lips  
Burning eyes don't start crying  
Heart don't let her know that your breaking in two

Every day our love's a battle royal  
Dear it seems that fighting is all we do  
But if i let you know how much I love you  
You'll do things to me you shouldn't do

So talk back trembling lips  
Shaky legs don't just stand there  
Don't let her know that she's getting through to to you  
Talk back trembling lips  
Burning eyes don't start crying  
Heart don't let her know that your breaking in two

Every time you up and hurt my feelings  
I pretend it couldn't matter less  
I'm just hiding all of my emotions  
Behind my broken heart I guess

So talk back trembling lips  
Shaky legs don't just stand there  
Don't let her know that she's getting through to to you  
Talk back trembling lips  
Burning eyes don't start crying  
Heart don't let her know that your breaking in two  
Heart don't let her know that your breaking in two
