

# Joji, Run

i fell for your magic  
i tasted our skin  
and all this is tragic  
at least I found the end  
I witnessed your madness  
you shed light on my sins  
and if we shared in this sadness  
then where have you been ?

I know you're not alone  
like you used yto be  
cause I am not the one  
like you used to think  
so you just run  
I know that it's dark  
in this misery  
guess I am not enough  
like you used to think  
so I'll just run

you bathe in your victory  
yu blew out all my fumes  
and if I took on the planet  
will I pay my dues?  
your love was a mystery  
ywah my love is a fool  
and I travel the country just to get to you

I know you're not alone  
like you used yto be  
cause I am not the one  
like you used to think  
so you just run  
I know that it's dark  
in this misery  
guess I am not enough  
like you used to think  
so I'll just run

and I travel the country  
and I travel the country just to  
I know you're not alone  
I know you're not alone  
I know you're not alone
