

Jojo, Comeback (feat. Tory Lanez & 30 Roc)

30, you a fool for this one
Oh
Oh, woah
Trust me
It's so much better when you trust me
So fuckin' good, boy, it's disgusting
Tell me it's mine or I'ma lose my fuckin' mind
I need that dick all the time
It's crazy how we didn't talk for years
But we don't need to say much to get caught up
My body knows you like you've been the only one
Baby, when we're making love
I'm selfish, gimmie all that
Greedy bitch when I want that
Hit them splits like an acrobat
Talk my shit 'cause I'm so bad
With the lights off, you can see me
Feel you right underneath me
You and me back with the repeat, repeat
It's a comeback
Miss your loving so bad
You make me cum so fast, mm yeah
Yeah, and you know that
I'ma keep this on track
Glad we made a comeback, oh, yeah-yeah
On me, I need you here and all around me, ah
Now that I'm used to all this energy, BDE
I need it all the time, it's all mine
And it's crazy how we didn't talk for years
But we don't need to say much to get caught up
My body knows you like you've been the only one
Baby, when we're making love (oh, yeah-yeah)
Give me what I want
I'm selfish, gimmie all that
Greedy bitch when I want that
Hit them splits like an acrobat
Talk my shit 'cause I'm so bad
With the lights off, you can see me
Feel you right underneath me (underneath me)
You and me back with the repeat, repeat
It's a comeback
Miss your loving so bad
You make me cum so fast, mmm, yeah (oh yeah)
Yeah, and you know that
I'ma keep this on track
Glad we made a comeback, yeah, yeah
Yeah
Mmm
Hit them splits like an acrobat
Talk my shit 'cause I'm so bad
You and me back with the comeback
Comeback, yeah, uh (oh)
Oh, oh, yeah
Oh, yeah, yeah, oh, yeah
Oh, yeah, yeah, oh, yeah
Oh
30, you a fool for this one
