

# Jon Anderson, Hold Onto Love

There you have it  
You see this love regretting  
Something wrong again  
But you had it in the palm of your hand

Your heart has started bleeding  
You gotta get out believing  
You're on your own forever  
It's not the space or time or weather

You can't leave, you want  
You can't have, you need  
You can't touch, you bleed  
It's enough it's enough

There's something happening to ya  
Love can see right through ya  
In a world of make believe  
Don't go throwing it all away

Hold onto love, hold onto love  
Treat it as a good thing  
Be always ready  
With that electric feeling  
You worked so hard, to be in love with her  
She tried so hard, you gotta let her go  
Hold on, hold on  
Hold on, hold on

The more and more you hear it  
The more it seems to make sense  
Hold love in the palm of your hand  
But you think that round the corner  
Your gearing up to hold her  
But that won't make a difference in the end

It's never space or time or weather  
You can't leave, you want  
You can't have, you need  
You can't touch, you bleed  
It's enough, it's enough

There's something happening to ya  
Love can see right through ya  
In a world of make believe  
Don't go throwing it all away

Hold onto onto love  
There's nothing more important  
Treat it as a good thing  
Be always ready with that electric feeling  
You worked so hard, to be in love with her  
She tried so hard, you gotta let her go  
Hold on, hold on  
Hold on, hold on

You worked so hard, to be in love with her  
She tried so hard, you gotta let her go  
Hold on, hold on  
Hold on, hold on  
Hold on, hold on

Hold onto love, There's nothing more important  
Hold onto love, Don't let it pass you by

Hold onto love, There's nothing so important  
Hold it in the palm of your hand  
Hold onto love, There's nothing more important  
Hold onto love, Don't ever let it pass you by  
Hold onto love, hold onto love  
Treat it as a good thing  
Treat it as a good thing  
Treat it as a good thing
