

Jon B, Can't Help It

Shoulda seen it from the get go
You were on some shit
No other girl has ever gotten under my skin
Girl why you got and attitude
I was at the mall for you
Thinking it was all good playing myself

[Pre Chorus:]

Baby sometimes
You act so perfect to me
You act sometimes like an angel
That's the part that hurts me most
Wonder it this is meant to be
No other love, gotta stop loving you

[Chorus 1:]

Can't help it, can't help the way I feel
Can't help it, said I can't help the way I love you girl
Can't help it, said i can't help the way I feel
Can't help it, tell me what I gotta do, no no
I can't help it

Girl you got me waking up at night
Sitting up turn on the morning light sweating
Cause i dream that you were fucking my friend
I dont choose to think the way I do
I can't get away from you
Girl I hate the way you're messing with my head

[Pre Chorus:]

Baby sometimes
You act so perfect to me
You act sometimes like an angel
That's the part that hurts me most
Wonder it this is meant to be
No other love, gotta stop loving you

[Chorus 2:]

Can't help it, can't help the way I feel
Can't help it
What I gotta do to please you baby
I can't help it
Stuck between a rock and a hard place, baby
Can't help it, no no, I can't help it

[Bridge:]

What if I change my mind
Is it gonna be right this time
Are you still gonna be around for me, baby
Tell me, tell me baby
Tired of being your fool
Can't help myself with you
Can't help myself

[Chorus 3:]

Can't help it, can't help the way I feel for you
Can't help it, I feel I feel for you, baby
Can't help it, no no I can't help it
Just wanna get away, just can't help the way
I feel for you
Can't help it
Oh, I wish my mind would quit
With thoughts of you fucking around on me, baby
