

# Jon B, Cool Relax

I was just coasting away  
And wasn't even thinkin of anybody no  
You took my mind sexy no doubt  
Envisionung turning u out  
And then we caught eyes ain't no stoppin now  
Burn some candlelight incence  
Taste of berry wine  
Just me and you and all i wanna do  
Is get with you  
One night it could be so real  
If you give me a chance baby  
I want to show you romance baby

[Chorus:]  
If you feel me  
Cool relax let your mind lay back  
Lace your mind like a love affair  
Cool relax let your mind lay back  
Let me know how you're felling girl

Now you don't know what to say  
You see that I seem  
to be staring at your body  
Oh yeah, and just before  
you could speak out  
I put one finger over your mouth  
I dont mean to be jock'n  
But baby can I see you tonight  
Until the break of day  
We can't leave until you say  
It's just me and you  
All I want to do is get with you  
One night it could be so real  
If you just give me a chance baby  
I wanna show u romance lady

[Chorus:]  
If you feel me  
Cool relax let your mind lay back  
Lace your mind like a love affair  
Cool relax let your mind lay back  
Let me know how you're felling girl

[Repeat to Fade]
