

Jon B., Mercy Me

From Tribute Album "Marvin is 60!"
Written by Marvin Gaye

Woo oh, mercy mercy me
Oh things ain't what they used to be, no no

Where did all the blue skies go?
Poison is the wind that blows from the north and south and east

Oh mercy, mercy me
Oh things ain't what they used to be, no no

Oil wasted on the ocean and upon our seas, fish full of mercury

Ah oh mercy, mercy me
Oh things ain't what they used to be, no no

Radiation under ground and in the sky
Animals and birds who live nearby are dying

Oh mercy, mercy me
Oh things ain't what they used to be

What about this overcrowded land
How much more abuse from man can she stand?
Oh, na na...
