

Jon B, Shine

Girl why do you got that look on your face
Time is now girl i don't want to waste
U shocked my eye when U stepped in the place
I wanna get with that baby

[Bridge:]
Now there's no way I can let...
Let U get past me now baby
I've scoped U girl now you're mine
It's time to let, let U shine all night baby

[Chorus:]
Love girl let me take you out
Show U around my town
Look at them starin' at U baby
Tonight girl you deserve some wine
Here's to you being so fly
Let me just let U shine now lady

Girl why do you got an empty glass in your hand
You got your girls but do u have a man?
I feel your vibe U look so good I can't stand
To look your way baby

[Bridge:]
Now there's no way I can let...
Let U get past me now baby
I've scoped U girl now you're mine
It's time to let, let U shine all night baby

[Chorus:]
Love girl let me take you out
Show U around my town
Look at them starin' at U baby
Tonight girl you deserve some wine
Here's to you being so fly
Let me just let U shine now lady

[RAP:]
Tip the cup back long legs bare breasted
The type of body that got my mind manifested
Lyrical potion took me at the glance when I see you dance
Highlight from the light from the back
I like the way you make me feel
Got that sex appeal
So swing it over this way
Tonight I wanna make a long stay

[Chorus:]
Love girl let me take you out
Show U around my town
Look at them starin' at U baby
Tonight girl you deserve some wine
Here's to you being so fly
Let me just let U shine now lady
