Jon B., Someone To Love

Don't even like to think about it I dont know what I'd do without it I only know that I live and breathe for your love Baby you came to me In my time of need When I needed you, you were there for me Baby the love from you is what got me through It's because of you, I was able to Give my heart again, you gave me

Someone to love Someone to touch Someone to hold Someone to know Someone to love Someone to trust Someone to hold Oh someone to know

I thought I'd never love again
I thought my life was over and
I didn't want to face or even see another day
Suddenly from no where, baby you appeared
You dried my tears, you cared for me
Maybe your love for me, truly rescued me
It's because of you, I was able to
Fall in love again, you gave me

Someone to love Someone to touch Someone to hold Oh someone to know Someone to love Someone to trust Someone to hold Oh someone to know

For so long in my life, I wouldn't let love inside But I swallowed my pride the day you arrived Now that you're by my side Everything is all right It's because of you, I was able to Give my heart again, you gave me
