

# Jon B., Your My Angel

Your my angel

Heard about my past  
Things I used to do  
The games I used to play  
the girls that didnt last  
I know whats on your mind  
you think im doin wrong  
can I say what is real  
you are the only one  
when im not around  
do you think of me  
or what the jealous one  
are claiming me to be  
you should know by now  
that its gonna take  
a lot of trust from you  
for us to make it through

{bridge:}  
you should know baby your my angel  
nothing is gonna make you fall from heaven  
girl I just want to love you love you

dont listen to what people say  
they dont know about (bout) you and me  
put it out your mind cause its jealousy  
they dont know about this here  
dont listen to what people say  
they dont know about (bout ) you and me  
put it out your mind cuz its jealousy  
they dont know about this here

girl lets talk about  
what your friends told you  
that im the selfish man  
want my cake and eat it too  
maybe in my past  
but you changed me now  
your love so real  
id be a fool to play  
play around on you  
I want to stay with you  
you should know by now  
thats its gonna take  
a lot of trust from you  
to get us through

{Bridge:}
