

# Jon Bellion, All Time Low

I was the knight in shining armour in your movie  
Would put your lips on mine and love the aftertaste  
Now I'm a ghost, I call your name, you look right through me  
You're the reason I'm alone and masturbate

I've been trying to fix my pride  
But  
that shit's broken /2x  
Lie  
I try to hide  
But now you know it

That I'm at an all time /4x  
Low /20x

I was the prototype like 3 stacks on that CD  
An example of the perfect candidate  
Now all your girlfriends say that you don't want to see me  
You're the reason that I just can't concentrate

I've been trying to fix my pride  
But  
that shit's broken /2x  
Lie  
I try to hide  
But now you know it

That I'm at an all time /4x  
Low /20x
