

# Jon Bon Jovi, Born To Be My Baby

Rainy night and worked all day  
we both got jobs cause there's bills to pay  
We got something they can't take away  
our love, our lives  
Close the door, leave the cold outside  
I don't need nothing when I'm by your side  
we got something that'll never die  
our dreams, our pride  
My heart beats like a drum (all night)  
flesh to flesh, one to one (and it's alright)  
and I'll never let go cause  
there's something I know deep inside  
You were born to be my baby  
And baby, I was made to be your man  
We got something to believe in  
even if we don't know where we stand  
only God would know the reasons  
but I bet he must have had a plan  
Cause you were born to be my baby  
and baby, I was made to be your man  
Light a candle, blow the world away  
table for two on a TV tray  
It ain't fancy, baby that's ok  
our time, our way  
So hold me close better hand on tight  
buckle up, baby, it's a bumpy ride  
We're two kids hitching down the road of life  
our world, our flight  
If we stand side by side (all night)  
there's a chance we'll get by (and it's alright)  
and I'll know that you'll be live  
in my heart till the day I die  
Cause you were botn to be my baby  
And baby, I was made to be your man  
We got something to believe in....  
Solo  
My heart beats like a drum (all night)  
flesh to flesh, one to one (and it's alright)  
And I'll never let go cause  
there's something I know deep inside  
Cause you were...  
We got something to believe in  
even if we don't know where we stand  
only God would know the reasons  
but I bet he must have had a plan  
Cause you were...  
You were born to be my baby  
and baby, I was made to be your man
