

Jon Bon Jovi, I'll Sleep When I'm Dead

Seven days of Saturday
Is all that I need
Got no use for Sunday
Couse I dont rest in peace
Dont need no Mondays
Or the rest of the week
I spend a lot of time in bed
But baby I dont like to sleep no
I wont lie to you
I never gonna cry to you
Ill probably drive you wild 8 days a week
Until Im 6 feet under
Baby I dont need a bed
Gonna live while Im alive
Ill sleep when Im dead
Till they roll me over
And lay my bones to rest
Gonna live while Im alive
Ill sleep when Im dead
So youre looking for some action
I got everything you need
Better keep your motor running
Cose I was built for speed
This aint no slumber party
Got no time for catching zs
If they say that that aint healthy
Well then living a disease
Were never going to die baby
Come on let me drive you crazy
Well make every night another New Years eve
Until Im 6 feet under
Baby I dont need a bed
Gonna live while Im alive
Ill sleep when Im dead
Till they roll me over
And lay my bones to rest
Gonna live while Im alive
Ill sleep when Im dead
Sleep when Im dead, sleep when Im dead
Gonna live while Im alive, Ill sleep when Im dead
Guitar solo
Seven days of Saturday
Is all that I need
Got no use for Sunday
Cose I dont rest in peace
I was born to live
You know I wasnt born to die
But if the party down in heaven
Ill be sure to be on time
Until Im 6 feet under
Baby I dont need a bed
Gonna live while Im alive
Ill sleep when Im dead
Till they roll me over
And lay my bones to rest
Gonna live while Im alive
Ill sleep when Im dead
I feel like Im exploding
Going out of my head
Gonna live while Im alive
Ill sleep when Im dead
Till Im 6 foot under
And they lay my bones to rest
Gonna live while Im alive

I'll sleep when I'm dead
Sleep when I'm dead
Sleep when I'm dead
Gonna live while I'm alive
Sleep when I'm dead
