

# Jon Bon Jovi, Lie To Me

Rumour has it that your daddy's coming down  
He's gonna pay the rent  
Tell me baby, is this as good as life is gonna get  
It feels like there is a stranger standing in these shoes  
But, I know I can't lose me, 'cause then I'd be losing you  
I know I promised baby  
I would be the one to make our dreams come true  
I ain't too proud of all the struggles  
And the hard times we've been through  
When this cold world comes between us  
Please tell me you'll be brave  
'Cause I can realize the danger when forgiveness fades away  
If you don't love me - lie to me  
'Cause baby you're the one thing I believe  
Let it all fall down around us, if that's what's meant to be  
Right now if you don't love me baby - lie to me  
Pour another cup of coffee, babe I got something to say to you  
I ain't got the winning ticket  
Not the one that's gonna pull us through  
No one said it'd be easy, let your old man take you home  
But know if you walk out on me  
That darling, I'd be gone  
If you don't love me - lie to me  
'Cause baby you're the one thing I believe  
Let it all fall down around us, if that's what's meant to be  
Right now if you don't love me baby - lie to me  
Baby - I can take it  
It's a bitch, but life's a roller coaster ride  
The ups and downs will make you scream sometimes  
It's hard believing that the thrill is gone  
But we got to go around again, so let's hold on  
If you don't love me - lie to me  
'Cause baby you're the one thing I believe  
Let it all fall down around us, if that's what's meant to be  
Right now if you don't love me baby - lie to me, lie to me  
Baby I can take it  
C'mon lie to me.....
