

Jon Bon Jovi, One Wild Night

It's a hot night, the natives are restless
We're sweating by the light of the moon
There's a voodoo mojo brewing at the gogo
That would knock a witch off her broom
We slither on in and shed our skin
Make our way into the bump and the grind
I'm passing by, she gives me the eye
So I stop to give her a light
Na-na-na-na-na-na...alright!

Chorus1:

One wild night (blinded by the moonlight)
One wild night (24 hours of midnight)
One wild night (I stepped into the twilight zone
And she left my heart with vertigo)
One wild, one wild, one wild, one wild night
Havin' as much fun as you can in your clothes
Margarita had me feelin' alright
Just might be I found religion
I've been on my knees for half of the night
I'm rolling the bones with Jimmy 'no dice'
Gonna take him for a couple weeks' pay
"Man, if you lose this roll I take your girlfriend home"
So I stopped

But you're not gonna believe who comes walking out

Chorus2:

One wild night (blinded by the moonlight)
One wild night (24 hours of midnight)
One wild night (I stepped into the twilight zone
And she left my heart with vertigo)
One wild night (hey, c'est la vie)
One wild night (welcome to the party)
One wild night (life is for the living so You gotta
live it up, come on let's go)
One wild, one wild, one wild, one wild night

Guitar solo

Na-na-na-na-na-na...

Repeat chorus2

One wild night, one wild night
One wild night (blinded by the moonlight)
One wild night (24 hours of midnight)
One wild night (I stepped into the twilight zone
And she left my heart with vertigo)
One wild, one wild, one wild, one wild night
