Jon Bon Jovi, Thank You For Loving Me

Its hard for me to say the things I want to say sometimes Theres no one here but you and me And that broken old street light Lock the doors leave the world outside All lve got to give to you Are these five words and i Thank you for loving me For being my eyes When I couldnt see For parting my lips When I couldnt breathe Thank you for loving me Thank you for loving me I never knew I had a dream Until that dream was you When I look into your eyes The skys a different blue Cross my heart I wear no disguise If I tried, you'd make believe that you believed my lies Thank you for loving me For being my eyes When I couldnt see For parting my lips When I couldnt breathe Thank you for loving me You pick me up when I fall down You ring the bell before they count me out If I was drowning you would part the sea And risk your life to rescue me yeah yeah yeah yeah yeah yeah yeah!.... Lock the doors leave the world outside All Ive got to give to you Are these five words and i Thank you for loving me For being my eyes Oh, when I couldnt see For parting my lips When I couldnt breathe Thank you for loving me When I couldnt fly Oh, you gave me wings You parted my lips When I couldnt breathe Thank you for loving me Thank you for loving me Thank you for loving me Oh, for loving me
