

Jon Bon Jovi, Two Story Town

I couldn't sleep
Took a walk down 2nd Avenue
Sick of dreaming dreams that never come true
One way street and I know where its leading to
There's a "For Sale" sign on the front door of the city hall
The subway line got graffiti crawling off the wall
I could take a hit but I ain't gonna take the fall
That's just one side of the story
In the two story town

Chorus

It's just the same old sights
And the same old sounds
Im gonna take my car and drive out of this two story town
The same old shit is going round
I'm going down, down, down, down, down
In a two story town
There's a girl that I sleep with
Got ecstasy eyes
He promised her roses and American pies
I called her and my demons
I kissed them both goodbye

Chorus

One shot to make a move now
The ghosts are calling me out
And me I'm just one story
In a two story town
But you're never gonna find me in the lost and found

Chorus

Chorus 2:

It's just the same old sights and the same old sounds
Im gonna take my horse and ride him off this merry-go-round
I won't give in and I won't back down
I'm going down, down, down, down down
Never going down, down, down, down, down
I ain't going down, down, down, down, down
In a two story town
In this two story town
