

# Jon Lajoie, Song for Britney

Britney, i can feel your sadness.  
The world is filled with madness,  
And everybody takes it out on you  
And there`s nothing you can do but  
Girl i want you to know  
That i`m not one of those  
Because i don`t care what they all say,  
I`d still have sex with you any day  
Britney, nobody really knows you.  
Yet they all think they can judge you.  
Although i`m not a fan of your music,  
The way they treat you girl it makes me sick and,  
Just know that i can hear your cries  
And i`d still love to get between those thighs,  
Because i don`t care what they all say,  
I`d still have sex with you any day?any day.  
And if you want to marry meeeeeee,  
As long as i don`t have to sign a pre-nup  
I agreeeeeeeeeeeeeeee  
(so that if, god forbid, we ever get a divorce,  
I`d be legally entitled to half of your estate.)  
Because i don`t care what they all say,  
No i don`t care what they all say,  
I`d still tap that ass any day.
