

Jon Peter Lewis, A Little Less Conversation

A little less conversation a little more action
All this aggravation ain't satisfactioning me
A little more bite, a little less bark,
A little less spite, a little more spark
Close your mouth and open up your heart and baby satisfy me
Hey satisfy me baby
C'mon baby I'm tired a talkin'
C'mon baby now let's start walkin'
C'mon c'mon
C'mon c'mon
C'mon c'mon
Don't procrastinate don't articulate
Girl it's gettin' late for you to sit and wait around

Yeah a little less conversation a little more action
All this aggravation ain't satisfactioning me
A little more bite a little less bark
A little less spite a little more spark
So close your mouth and open up your heart and baby satisfy me
Satisfy me
Satisfy me
