

Jon Peter Lewis, She Believes In Me

While she lays sleeping
I stay out late at night and sing my songs
Sometimes all the nights can seem so long
And it's good when I finally make it home
All alone
While she lays dreaming

And she believes in me
I'll never know just what she sees in me
I taught her someday if she was my girl
I could change the world
With my little songs, I was wrong
But she has faith in me
And so I go on trying faithfully
And who knows maybe on some special night
If my song was right
I could find a way
While she waits,
While she waits,
For, me
