

Jon Peter Lewis, This Old Heart Of Mine

This ol' heart a mine been broke a thousand times
Each time you fade away, I feel you're gonna stay
Lonely nights that come, memories that fade
Bringing you back again, hurting me more and more
Maybe it's my mistake to show this love that I feel inside
But each day that passes by
You got me never knowin' if I'm comin' or goin'

But I, I love you, with this ol' heart
Darlin' it's, weak for you
I love you, yes I do

But if you leave me a hundred times, a hundred times I'll take you back
I'm yours, whenever you want me
I'm not too proud to shout it
Tell the world about it 'cause I,

I love you, with this ol' heart
Darlin' it's, weak for you, you
