

# Jon Peter Lewis, This Old Heart Of Mine

This ol' heart a mine been broke a thousand times  
Each time you fade away, I feel you're gonna stay  
Lonely nights that come, memories that fade  
Bringing you back again, hurting me more and more  
Maybe it's my mistake to show this love that I feel inside  
But each day that passes by  
You got me never knowin' if I'm comin' or goin'

But I, I love you, with this ol' heart  
Darlin' it's, weak for you  
I love you, yes I do

But if you leave me a hundred times, a hundred times I'll take you back  
I'm yours, whenever you want me  
I'm not too proud to shout it  
Tell the world about it 'cause I,

I love you, with this ol' heart  
Darlin' it's, weak for you, you
