

# Jon Peter Lewis, Tiny Dancer

Blue jean baby, LA lady  
Hmmm, seamstress for the band  
Ballerina, oh you must have seen her  
Hey dancin' in the sand

You know how real it feels  
Liein' here with no one near  
Only you, and you can hear me  
When I sang softly, slowly  
Hold my closer tiny dancer  
Count the headlights on the highway
