

Jon Secada, Do You Believe In Us

I tremble inside
Just thinking
About the world around us
Scared, can't help to wonder
Don't want any changes
'bout the way we feel
Do you know what I mean
Catch me I'm falling
Say it's gonna be alright
It's gonna be alright

I know that we belong
Do you believe in us
Just give it half a chance

Yes our love
Will still be strong
Girl I believe in us
I'll give you all I can

Time has redefined the meaning of
Love, the way we know it
Love, the way we show it
I don't want any changes
When it comes to you
I like us the way it is
No matter what happens
Say it's gonna be alright
It's gonna be alright

I know that we belong
Do you believe in us
Just give it half a chance

Yes our love
Will still be strong
Girl I believe in us
I'll give you all I can

I don't want any changes
Unless you want them to
Forever ain't long enough, baby
Nothing can change us
Say it's gonna be alright
It's gonna be alright

I know that we belong
Do you believe in us
Just give it half a chance

Yes our love
Will still be strong
Girl I believe in us
I'll give you all I can
