Jon Secada, Do You Believe In Us

I tremble inside
Just thinking
About the world around us
Scared, can't help to wonder
Don't want any changes
'bout the way we feel
Do you know what I mean
Catch me I'm falling
Say it's gonna be alright
It's gonna be alright

I know that we belong Do you believe in us Just give it half a chance

Yes our love
Will still be strong
Girl I believe in us
I'll give you all I can

Time has redefined the meaning of Love, the way we know it Love, the way we show it I don't want any changes When it comes to you I like us the way it is No matter what happens Say it's gonna be alright It's gonna be alright

I know that we belong
Do you believe in us
Just give it half a chance

Yes our love
Will still be strong
Girl I believe in us
I'll give you all I can

I don't want any changes Unless you want them to Forever ain't long enough, baby Nothing can change us Say it's gonna be alright It's gonna be alright

I know that we belong Do you believe in us Just give it half a chance

Yes our love Will still be strong Girl I believe in us I'll give you all I can
