

Jon & Vangelis, Garden Of Senses

Days of the garden.

Days in the sun.

Warm in my secret.

Lost in your eyes.

Love, sweet as water.

Love, sweet as wine.

Love, in the moonlight.

Sing with your heart. (Tell me there's a muse and you know what)

(you do when you sing when you talk when you)

(love with your heart-strings)

Love in the sunlight (Hold me, hold me)

Sing with your heart (Hold me, hold me)

With your heart

With your heart

With your heart

With your heart

With your heart
