

Jon & Vangelis, Shine For Me

Shine for me,
I'll shine for you,
Each waking dawn,
Each day.
Let these words,
Please, let this song
Take you so
Completely.
You have the gift of love.
You have the gift of life.
Take whatever you need.
Be the light.
For once, be sure.
Be the light
you are.
You are the sound of love.
You are the sound of life.
Take whatever you need.
More will come as you reopen
All your senses changing.
Once you have seen,
Be awake to this life song.
Shine for me,
I'll shine for you,
Each waking dawn,
Each day.
You are the gift of love.
You are the gift of life.
Take whatever you need.
