

# Jona Ardyn, I am I am

I am I am  
I am that door  
I know I know  
You pray for more  
You got to go  
That kind of show  
Between us  
I know I know  
I'm something more  
Come on  
Admit  
You wont more  
I am I am  
The Wish you longing for  
/2x

You've been ..  
Know so far  
I can ...  
Acting bad  
Could it happened to me  
Could I be the victim  
I not left you  
When you wrong  
You've got kids so you know  
There's no inside  
...

I am I am  
I am that door  
I know I know  
You pray for more  
You got to go  
That kind of show  
Between us  
I know I know  
I'm something more  
Come on  
Admit  
You wont more  
I am I am  
The Wish you longing for  
/2x

Is it too late to look back  
Get a grip  
That's the fact  
Wishful thinking wouldn't do you any better  
If you smile you should know  
All the walls you ... strong  
The ... inside

I am I am  
I am that door  
I know I know  
You pray for more  
You got to go  
That kind of show  
Between us  
I know I know  
I'm something more  
Come on  
Admit  
You wont more

I am I am  
The Wish you longing for  
/2x
