

# Jonah 33, All That Matters

Look at what I've gained, I've earned  
Since I've been here on this earth  
I've collected everything that was of value and of worth  
But there was always something missing inside of me  
People that could give to me, I always held in high esteem  
And I would stab you in the back to gain popularity  
And then You came into my life and I realized

[CHORUS:]

Everything I have is trash  
Compared to knowing who You are  
Everything is trash compared to knowing You  
All that matters is You  
Since you came along, I've had to re-evaluate my heart  
Then I realized that I was blind from the very start  
Because without You there is nothing worth anything

[CHORUS]

[Bridge]

So take my heart and take my soul  
Instill in me what matters most  
All that matters is You [4x]

[CHORUS]

Compared to knowing You  
Everything is trash  
Compared to knowing You  
All that matters is You
