

Jonah 33, Shine

How long's it been now
Since I called You by name
Since I felt Your presence
In the midst of all my pain
How long's it been now
That I try it all my own way
I need to be broken, so I look to You and say

[CHORUS:]

Make me shine (rekindle the flame within my soul)
Renew my love for You
For You are the only One that can
Make me shine
Rekindle the flame within my soul
Make me shine
You long to save me
You're the author of my life
Without You, Lord Jesus
I am not alive

[CHORUS]

Make me shine like the sun
Renew my love for You
For You are the only the one
That can me shine (rekindle the flame within my soul)
Renew my love for You
For you are the only one that can
Make me shine
Make me shine
Rekindle the flame within my soul
