

Jonas Brothers, G.I Joe (Kung Fu Grip)

She's got a smile
That I'd die for...
Everyone knows that I'm
A prisoner of war
For her, yeah
(Chorus)
Sometimes I wish
I had a kung fu grip
Never let her slip away,
she'd be my girl
I really wish she knew,
What I feel is true
She'd be my doll and I would be her hero too
I'm so in love with her,
I don't care who knows that
I am ready to fight
ready to go
Just like a G.I. Joe
(Chorus)
Sometimes I wish
I had a kung fu grip
Never let her slip away,
she'd be my girl
Sometimes I wish
I had a kung fu grip
Never let her slip away,
she'd be my girl
