

# Jonas Brothers, I Want A Hippopotamus For Christmas

I want a hippopotamus for Christmas  
A hippopotamus is all i want  
I don't want a dog or rhinoceros  
All i want for Christmas is a hippopotamus  
And a hippopotamus wants me too

I want a hippopotamus for Christmas  
A hippopotamus is all i want  
I don't want a dog cause dogs are such a fuss  
All I want for Christmas is a hippopotamus  
And a hippopotamus wants me too

I can see me now on Christmas morning  
Creeping down the stairs  
Oh the joy and what surprise  
When I open up my eyes  
To see a hippo hero standing there

I want a hippopotamus for Christmas  
A hippopotamus is all I want  
I don't want a dog or a rhinoceros  
All I want for Christmas is a hippopotamus  
And a hippopotamus wants me too
