

Jonas Brothers, I Want A Hippopotamus For Christmas

I want a hippopotamus for Christmas
A hippopotamus is all i want
I don't want a dog or rhinoceros
All i want for Christmas is a hippopotamus
And a hippopotamus wants me too

I want a hippopotamus for Christmas
A hippopotamus is all i want
I don't want a dog cause dogs are such a fuss
All I want for Christmas is a hippopotamus
And a hippopotamus wants me too

I can see me now on Christmas morning
Creeping down the stairs
Oh the joy and what surprise
When I open up my eyes
To see a hippo hero standing there

I want a hippopotamus for Christmas
A hippopotamus is all I want
I don't want a dog or a rhinoceros
All I want for Christmas is a hippopotamus
And a hippopotamus wants me too
