

Jonas Brothers, Much Better

I got a rep for breakin' hearts
Now I'm done with Super Stars
And all the tears on her guitar
I'm not bitter
Now I see everything I'd ever need
Is the girl in front of me
She's Much Better
I wanna fight with you
Tear up the sky with you
You're much better
I wanna fight with you
Make up tonight with you
You're much better
Now I've got some enemies
And they're all friends suddenly
BFF's eternally
I'm not bitter
I believe that the road that people lead
Helps you find the one you need
You're much better
I wanna fight with you
Tear up the sky with you
You're much better
You're much better girl
I wanna fight with you
Make up tonight with you
You're much better
Ooo!
Yeah!
I wanna fight with you
Tear up the sky with you
(Oh!)
You're much better
I wanna fight with you
Make up tonight with you
(Oh!)
You're much better
You're much better girl!
Oooo ooo oo!
Yeah!
I wanna fight with youuu!
Ohhh
You're much better
You're much better girl!
You're much better
