

# Jonas Brothers, Nick J Is Off The Chain

Yo I'm so hot  
Just like a tamale  
So destructive  
Just like a tsunami  
Every time I'm near  
The red cross is there  
Cause that's how I'll be doing things  
Because...

Nick J is off the chain

Whenever he's near, they fear his name  
Nick J is off the chain  
He's off the chain  
Alright, ready

Whats my name say it once again  
Nick J, Nick J, Nick J, Nick J  
Whats my name say it once again  
Nick J, Nick J, Nick J, Nick J
