

# Jonas Brothers, Remember This

Used to pray for a  
Moment just like this  
There's a fire  
In tyour eyes  
I can't resist

Baby we're gonna wanna  
Remember this

Baby we're gonna wanna  
Remember this

I can taste the forever  
On your lips  
There's a life time  
Living inside that kiss

Baby we're gonna wanna  
Remember this

Baby we're gonna wanna  
Remember this
