

# Jonas Brothers, You look me in the eyes

Oh, oh, yeah

Uuuh.

If your hearts is always searching

Can you ever found your on?

Ive been looking for that someone

I never make it on my on

Dreams cant take

The place of loving you

Its gotta be a million reasons

Why its true

When you look me in the eyes

And tell me that you love me

Everything is all right

When youre right here by my side

When you look me in the eyes

I can still dream to heaven

I find my paradise

When you look me in the eyes

How long will I be waiting

To be with you again

Come and tell you

That I love

In the best way that I can

I cant take a day

Without you here

Youre the light

Who makes my darkness disappear

When you look me in the eyes

And tell me that you love me

Everything is all right

When youre right here by my side

When you look me in the eyes

I can still dream to heaven

I find my paradise

When you look me in the eyes

Everyday I start to realize

I can reach my tomorrow

I can hold my head a high

Its all because youre by my side

When you look me in the eyes

And tell me that you love me

Everything is all right

When youre right here by my side

When I hold you in my arms

I know that it's forever

I just ? gotta let you know

I never want to let you go

' couse

When you look me in the eyes

And tell me that you love me

Everything is all right

When youre right here by my side

When you look me in the eyes

I can still dream to heaven

I find my paradise

When you look me in the eyes
