

Jonas Steur feat. Jennifer Rene, Falling into pieces

Needing a reason for being stuck in this seemingly
Demaining whirlwind of ride with you
Oh yeah I do
Longer then faster I try to decide what you're after
A disaster, is that what you put me through?
Oh yeah you do
I'm not free love
So when you leave take the time you need
Cause I'll be gone
So don't come to me and beg to plead...
I'm not free love
So when you leave take the time you need
Cause I'll be gone
You're about to say...
Searching for truth in this twisted environment
I can't believe that I once was inspired by you
But I'll be ok
Poetry means nothing when you love me and leave
You can disappear one day then wear your heart on your sleeve
Do you know what I'm worth?
What do you see?
I'm not free love
So when you leave take the time you need
Cause I'll be gone
So don't come to me and beg to plead...
I'm not free love
So when you leave take the time you need
Cause I'll be gone
You're about to say...
Hmm... I don't wanna know, I don't wanna know
I don't wanna fall to pieces
I don't wanna fall at all so
You're about to say...
Hmm... I don't wanna know, I don't wanna know
I don't wanna fall to pieces
I don't wanna fall at all so
Go... away...
Just go...
I don't wanna fall anymore
I don't wanna fall anymore
You're about to say...
I don't wanna know
I don't wanna know
