

Jonathan Fagerlund, Welcome to my life

I've been a down w winding road
There were days I felt letting go
But you've only got one life
I'm gonna give it all this time
This is it I gotta start living
I don't care people are thinking
I know now what it's all about
Hello, hello, hello, hello here I'm
Welcome to my life
Welcome to this world of mine
Hello, hello, hello, hello do it my way
Driving in the fast lane
Livin', out loud
Welcome to my life
(oh-woah, oh-woah,
oh-woah, oh-woah)
Welcome to my life
(oh-woah, oh-woah
oh-woah, oh-woah)
I was so misunderstood
Did everything that people told me to
(cuz I should)
I was always so afraid
Of going my own way
It's time to stop thinking about it
It's all out there, just gotta grab it
I'm letting go of all my doubts
Hello, hello, hello, hello here I'm
Welcome to my life
Welcome to this world of mine
Hello, hello, hello, hello do it my way
Driving in the fast lane
Living, out loud
Welcome to my life
(oh-woah, oh-woah
oh-woah, oh-woah)
Welcome to my life
(oh-woah, oh-woah
oh-woah, oh-woah)
Up and down people, I'm ready
There's not a thing that can stop me
I'm gonna run this one out
Hello, hello, hello, hello here I'm
Welcome to my life
Welcome to this world of mine
Hello, hello, hello, hello do it my way
Driving in the fast lane
Livin', out loud
Welcome to my life
Hello, hello, hello, hello here I'm
Welcome to my life (to my life)
Welcome to this world of mine
(to this world of mine)
Hello, hello, hello, hello do it my way
Driving in the fast lane
Living, out loud
Welcome to my life
(oh-woah, oh-woah
oh-woah, oh-woah)
Welcome to my life
(oh-woah, oh-woah
oh-woah, oh-woah)
Welcome to my life.
