Joni Mitchell, All I Want

I am on a lonely road and I am traveling Traveling, traveling, traveling Looking for something, what can it be Oh I hate you some, I hate you some I love you some Oh I love you when I forget about me I want to be strong I want to laugh along I want to belong to the living Alive, alive, I want to get up and jive I want to wreck my stockings in some juke box dive Do you want - do you want - do you want To dance with me baby Do you want to take a chance On maybe finding some sweet romance with me baby Well, come on

All I really really want our love to do Is to bring out the best in me and in you too All I really really want our love to do Is to bring out the best in me and in you I want to talk to you, I want to shampoo you I want to renew you again and again Applause, applause - life is our cause When I think of your kisses My mind see-saws Do you see - do you see - do you see How you hurt me baby So I hurt you too Then we both get so blue

I am on a lonely road and I am traveling Looking for the key to set me free Oh the jealousy, the greed is the unraveling It's the unraveling And it undoes all the joy that could be I want to have fun, I want to shine like the sun I want to be the one that you want to see I want to knit you a sweater Want to write you a love letter I want to make you feel better I want to make you feel free Hmm, Hmm, Hmm, Hmm, Want to make you feel free I want to make you feel free I want to make you feel free I want to make you feel free
