

Joni Mitchell, Be Cool

If there's one rule to this game
Everybody's gonna name
It's, be cool!
If you're worried or uncertain
If your feelings are hurtin'
You're a fool if you can't keep cool
Charm 'em
Don't alarm 'em
Keep things light
Keep your worries out of sight
And play it cool
Play it cool
Fifty-fifty
Fire and ice

If your heart is on the floor
Cause you've just seen your lover
Comin' through the door with a new fool-
Be cool
Don't get riled
Smile-keep it light
Be your own best friend tonight
And play it cool
Play it cool
Fifty-fifty
Fire and ice

Don't get jealous
Don't get over-zealous
Keep your cool
Don't whine
Kiss of that flaky valentine
You're nobody's fool
Be cool fool
Be cool
(Lots of other fish in the sea)

Play it cool
Play it cool
Fifty-fifty
Fire and ice

So if there's one rule to this game
Everybody's gonna name
It's-be cool
If you're worried or uncertain
If your feelings are hurtin'
You're a fool if you can't keep cool
They want you to
Charm 'em
Don't alarm 'em
Keep things light
Keep your worries out of sight
And play it cool
Play it cool
Fifty-fifty
Fire and ice
