

Joni Mitchell, Blue On Blue

Blue on blue
Sky's in your eyes
Steer you away like I wasn't here
Where do you go when you fantasize
That you wish I'd disappear
Leave you to dreaming and leave you alone
Lost in a world that's all your own
Can I come, too
Blue on blue

Dreams like you are making now
Are very hard to share
All I ask is one small favor
Dream a dream and wish me there

Gold on gold, sun in your hair
Spinning the rainbow, weaving the wind
Bluing the dye for the midnight air
Counting the gold at the rainbows end
Rapier princess whispers your name
Out of the time before I came
I'll never know
Gold on gold

Dreams like you are making now
Are very hard to share
All I ask is one small favor
Dream a dream and wish me there

Blue on blue
