

Joni Mitchell, Don't Go To Strangers

(Redd Evans-Arthur Kent-David Mann)

Build your dreams
To the stars above
But when you need someone true to love
Don't go to strangers
Lover come to me

Play with fire
Get your fingers burned
But when there's no place left to turn
Don't go to strangers
Lover come to me

You give the call to follow your heart
You'll follow your heart, I know
I've been around
I'm an old hand
I'll understand if you have to go

So make your mark
For your friends to see
But when you need more than company
Don't go to strangers
Lover come to me

Don't go to strangers
Lover come to me
